What is a project in Angola?

Angola Projects - Projects come much before tenders in the project life-cycle. Projects are "broad" notices indicating the sector in which the buyer will procure goods or services in future. This helps manufacturers/suppliers to get ready and arrange for resources for the future big orders by Angola's government.

How does government procurement work in Angola?

Angola's government procurement is governed by Law 41/20, emphasizing

transparency and competition. The two main methods are direct contracts and tenders. Contracts over 182 million kwanzas (USD 535,000) require tenders, with three categories: open, restricted, and by invitation. Foreign companies can participate with a local legal presence.
