Bahamas solar Container House Manufacturer

Overview

Who is Bahamas solar?

At Bahamas Solar we take care of your project from start to finish. Offering full turnkey systems for all residential and commercial operations. Serving all The Bahamas, from Nassau to the out islands. We offer customized solutions tailored to your specific needs. The first step to going solar is a site assessment.

How long does a Bahama solar installation take?

Bahama Solar installs: Solar installation is the fun part, our customers get to see the whole system come together. Installation timelines range from one to five days. Installation Steps Monitoring insures your solar panels are working properly by tracking the output of your solar system.

What makes Bauhu a classic Bahamian home?

Bauhu designers chose classic Bahamian architecture to complement the beachfront location of this Exuma holiday home. An ocean front deck is covered by an overhanging roof, louvred shutters, and classic Chippendale railings complete the authentic style.
