

A-Core Container

China-Africa container energy storage station manufacturer

Overview

On June 21, local time, during the 2025 African Energy Forum, China Nengjian signed an EPC contract with Globeleq, a British independent power producer, for the largest single battery energy storage power station in Africa, the 153MW/612 MWh battery energy storage project in Hongsha, South Africa, which achieved a new breakthrough in the South African market.
