Czech energy storage container house customization

Overview

What are studio shipping container homes?

Our studio shipping container homes are the ideal tiny house solution for those seeking a compact yet comfortable living space. With smart floor plans and customization options, these environmentally conscious homes are perfect for an accessory dwelling unit (ADU), guest house, or Airbnb rental.

What is a container home?

Each container home is built to meet the highest industry standards, from expandable homes to modular commercial spaces. Whether you're looking to create a unique living space, a functional office, or a mobile worksite solution, our skilled team and advanced technology are here to make your vision a reality.

Why should you build a shipping container home?

Your container home can be designed to reduce greenhouse gas emissions, save energy, and reduce waste during construction and throughout the house's lifetime. We use state of the art methods to ensure your new home is built to your preferences and up to code. Our team designs custom shipping container commercial, residential and mobile spaces.

What is a multi-container custom home?

By customer demand, what started as primarily single-unit container homes has quickly grown to multi-container custom homes. Using a combination of stacked or adjoined 20ft and 40ft containers, we will create your dream home with features like full-sized kitchens, multiple bedrooms, and spacious living areas.

Can you build a custom home with a shipping container?

Build your custom dream home instead! Shipping container workspaces are flexible and eco-friendly. Plus, there are few limits to how large you can go.

Building your own home?

We can lend our expertise to help ensure your DIY project is professional quality.

What is a two-story container home?

Ideal for a primary residence or vacation home. Maximize your space with our two-story container homes. These innovative prefab homes combine practical features and style, offering multiple bedrooms, a full bathroom, and open-concept living areas. Choose a floor plan with options like a rooftop deck, expanded kitchen, or additional storage.
