Generation plus outdoor power supply

Overview

Why should you buy a Generac home standby generator?

At Generac, we protect the things that power your life with quality, accessible solutions. As the #1 selling brand of home standby generators, our offerings extend to portable, residential and commercial generators, transfer switches, and accessories to give you power when and where you need it most.

Are portable power stations better than gas-powered generators?

In an emergency, these power stations offer some major advantages over gas-powered portable generators, despite being less powerful. Portable power stations are silent and don't produce additional emissions, so you can use them safely indoors and while you're sleeping.

What is the best portable power station?

This unit offers lots of power in a portable, durable, easy-to-use package. Plus, it has a wide array of outlets and charging ports to keep your essential devices running off-grid. The EcoFlow River 2 Pro is the best portable power station for most people. It's relatively light, ruggedly built, intuitive to use, and reliable.

Where can I find portable power stations?

Find portable power stations at Lowe's today. Shop portable power stations and a variety of electrical products online at [Lowe's.com](https://www.lowes.com).

What should I look for in a portable power station?

We also look for protective features such as port covers to keep out harmful dust and moisture. Informative display: Most portable power stations offer a battery meter to show you how much charge they have left, but we prefer displays that provide a precise percentage and other useful data.

Does Home Depot offer rated peak push button start solar generator?

To verify or get additional information, please contact The Home Depot customer service. Rated Peak Push Button Start Solar Generator with A Solar Panel for Outdoors and Home Backup from Jackery is suitable to replace with an egift card or repair your product during coverage period.
