Repair prices both in Luxembourg and abroad depend on multiple factors, the main ones being the following: This is one of the fundamental factors, in Luxembourg, high wages increase the cost per hour of work. Simple repairs such as an oil change are cheaper, while complex repairs such as those.

The cost of the technical inspection varies depending on the type of vehicle, but it usually ranges from 30 to 70 euros. The technical inspection is similar to the British MOT (Ministry of Transport) test in that it aims to ensure that vehicles are safe and roadworthy. However, the standards of the.

Try ACL, they can test your battery, and sell you one with some discount. I'd say that most garages are going to charge a battery (usually around 100-150€) depending on size and brand, and 1-2 hours of work (usually around 80-100€/hour). Tbh i would advise changing it yourself. It's not that hard.
