Lithium battery smart inverter

Overview

What is a smart lithium inverter?

Indian battery manufacturer MaxVolt Industries Energy has enhanced its product portfolio with the launch of a smart lithium inverter series for residential and commercial spaces. Featuring hybrid technology, this new series of inverters with built-in lithium battery is compatible with solar as well as conventional on-grid energy sources.

Is maxvolt a smart lithium inverter?

From pv magazine India Indian battery manufacturer MaxVolt Industries Energy has enhanced its product portfolio with the launch of a smart lithium inverter series for residential and commercial spaces.

How many kW can a smart lithium inverter produce?

The series includes 12V, 24V, and 48V variants, with rated power outputs of 1.2 kW, 3 kW, 5 kW and 6.2 kW (48 V), respectively. It supports up to 5 kW output. "Our new Smart Lithium Inverter Series aligns well with our commitment to innovation and energy efficiency.

Does Bank of Baroda cc offer a Li smart 1300 inverter?

Li-Smart 1300 Inverter with Inbuilt L. 5% Instant Discount upto ₹ 1500/- on Bank of Baroda CC EMI (min.order value 3000/-) The V-Guard Li Smart 1300 is an advanced inverter designed to meet the power backup needs of modern households. It features an inbuilt lithium-ion battery, offering a compact and maintenance-free solution.

What appliances can a Li smart 1300 inverter support?

This inverter supports various appliances, including fans, CFLs, tube lights, LED TVs, mixer grinders, inverter refrigerators, air purifiers, and exhaust fans. With its pure sine wave output, it ensures the safe operation of sensitive electronics. The Li Smart 1300 offers multiple output.

Are maxvolt inverters compatible with solar & on-grid energy sources?

Loaded with the advanced hybrid technology, this new series of inverters is compatible with solar as well as conventional on-grid energy sources. MaxVolt Industries has developed this high-efficiency inverter series, anticipating the evolving power backup demands of modern Indian residential and commercial spaces.
