Middle East EPC Energy Storage solar General Contracting

Overview

Will a 2GW solar project be built in Saudi Arabia?

Image: Masdar. Chinese engineering firm Shanghai Electric and UAE state-owned renewable energy company Masdar have signed an agreement to build a 2GW solar project in Saudi Arabia. The Sadawi project will be Shanghai Electric's largest engineering, procurement and construction (EPC) contract globally, and will cover 40 square kilometres.

Will Sadawi be Shanghai Electric's largest EPC contract?

The Sadawi project will be Shanghai Electric's largest EPC contract. Image: Masdar. Chinese engineering firm Shanghai Electric and UAE state-owned renewable energy company Masdar have signed an agreement to build a 2GW solar project in Saudi Arabia.

Why is Saipem a leading offshore EPC contractor in the Middle East?

Oil & Gas Middle East coverage has regularly spotlighted this project for its strategic importance to the Kingdom's downstream sector. Saipem remains a leading offshore EPC contractor in the Middle East, with a significant portfolio spanning Saudi Aramco's Marjan offshore field development and QatarEnergy's North Field Expansion.

Why did Saudi Aramco get a \$77 billion EPC contract?

The consortium secured one of the largest EPC contracts in the region's recent history—a \$7.7 billion award for Saudi Aramco's Fadhili Gas Plant expansion. The contract includes the construction of complex gas treatment and sulphur recovery facilities, vital to increasing processing capacity in line with Saudi Arabia's energy development plans.

When did Shanghai Electric get the EPC contract?

Shanghai Electric first won the EPC contract for the project in November 2024, when the project was announced as part of the fifth round of the NREP.

What makes NPCC a good EPC contractor?

NPCC's extensive experience and regional connections keep it a go-to contractor across the Gulf. Petrofac maintains a significant and diversified EPC presence across the Middle East, particularly in the UAE where its longstanding partnership with ADNOC continues to yield major contracts.
