

A-Core Container

New Zealand outdoor power box manufacturer

Overview

What types of meter boxes are available in New Zealand?

Our range includes standard, flush-mounted, powder-coated, and deep surface models, making them ideal for residential, commercial, and industrial applications across New Zealand. Our weather-resistant outdoor meter boxes are built to handle New Zealand's harsh conditions.

What is a builders temporary power supply box?

The Builders Temporary Power Supply Box enables builders and other tradespeople access to an electricity supply on a worksite where temporary power is required. The plastic construction provides a strong, durable, and weather resistant enclosure to protect the electrical equipment. The bright red colour makes it stand out on the building site.

Why should you choose Powerbox products?

Powerbox products are carefully designed with the latest technologies to meet the rigorous demands of the industrial market, even in challenging New Zealand conditions. Maintain a competitive edge in today's challenging business landscape with Powerbox.
