The DC 12V Lithium Battery Pack offers a range of capacities from 6AH to 30AH, making it an ideal choice for powering various 12V devices. With a compact design and rapid recharge capabilities, this battery pack is perfect for both home and on-the-go use. Yes, all products are sourced directly from.

The private sector is what is spearheading the solar power campaign in Seychelles. A French independent power producer has revealed its plans of installing 5.8 MW floating solar capacity in the island. It will be built on a saltwater lagoon – the first of its kind and the largest in the world, too.
