# Slovenia lithium battery energy storage cabinet system manufacturer

## Overview

---

Slovenian battery manufacturer TAB (TAB tovarna akumulatorskih baterij d.d.) is opening the first gigafactory for lithium-ion energy storage systems (ESS) in Prevalje in 2024. Which company has commissioned a battery energy storage system in Prevalje?

TAB commissions Battery Energy Storage System (BESS) in Prevalje to be operated by HSE Mežica, 10 July 2025 – TAB d.d. has successfully commissioned a Battery Energy Storage System (BESS) in Prevalje. With a rated power of 1.325 MVA and a capacity of 2.2 MWh, the advanced system was developed and manufactured entirely by TAB. [ . ].

What is a lithium battery storage & energy management system?

With our upcycled lithium battery storage & energy management system, you can leverage the power of renewables to mitigate costs and decarbonize your business. Our BMS-certified, fire-protected commercial energy storage systems help energy-intensive sectors like agriculture, logistics, recycling and manufacturing meet their ESG commitments.

What makes libattion a good battery storage company?

Libattion's battery storage guarantees a stable and regular power supply. Our systems are fire-safe and fully certified. We customize commercial energy storage for your needs and budget. Rooted in Swiss precision and environmental stewardship, we develop and operate the most versatile battery systems for industry and commerce.
